Matthias Flgge : Arno Fischer before purchasing it in order to gage whether or not it would be worth my time, and all praised Arno Fischer:

Arno Fischer (born 1927) worked in East Berlin during the 1950s, later producing fashion photography for the legendary magazine Sibylle, as well as portraits of figures such as Marlene Dietrich, and travelogues made in Poland, India, New York and Africa. This impressive monograph surveys all of the photographer's important series.
