Asian Inspiration is a treasury of illustration, art, and graphics that draw themes and visual inspiration from the diverse cultures of Asia. Be it a reference to an artist's cultural roots, or an expression inspired by a designer's deep affection for Eastern art, the work included represents a unique perspective on distinctly Asian art styles, myths, philosophies, and popular culture from a variety of time periods. With a multitude of event posters, prints, murals and advertisements, this title is perfect for anyone with an appreciation for Asian culture and aesthetics.
