But the one problem I had with it was in the description it said brand new by 99 percent. Well when I received it and opened it I found it not to be brand but uses. Setting information, faction descriptions, and history breakdowns. Detailed memory block walkthroughs describing traffic, security, controlling factions, view points and side-quests. Tips for completing all 44 of the XBox 360 Achievements. Locations of all flags, targets, and templar locations for all areas of the game. Advice on the utilization of certain maneuvers to aid in moving through the crowd and swooping in for the kill.
