Moran I'm not a gamer but the movie "Assassin's Creed" certainly sparked my interest in the universe wherein history and fantasy seem to coexist and even blend. I'm a novelist who writes historical fantasy and have found a wealth of not only information concerning the different eras in which these games exist but the compelling characters that populate them. It struck me in the same way as the movie-TV series "Highlander" did, if one could lend one's imagination to such characters going about their clandestine wars in the past and in real time. 3 of 3 people found the following review helpful. A must have for fans By Leonhart Definitely worth the price, the perfect visual companion to all things Assassins Creed. This book covers everything from artifacts to characters and everything else in between. 4 of 4 people found the following review helpful. The wife loved this. She's a huge AC fan and the ... By S Cochran The wife loved this. She's a huge AC fan and the linkage that Ubi provides between actual historical events and the game is stellar. A great gift for any Assassin's

Creed fan.
