**Bill Bryson : At Home: A Short History of Private Life Illustrated Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised At Home: A Short History of Private Life Illustrated Edition:

Bill Bryson has one of the liveliest, most inquisitive minds on the planet, and At Home is likely to become the most illuminating book on the way we lived then and live now--the why and the where and the how of it--ever written. Now, in this handsome new edition, his sparkling prose will be enhanced by some 200 carefully curated full-colour images from both the past and the present. Selected from a staggering array of sources to bring Bill's journey to vivid life, these pictures will make reading At Home an immersive experience. When you've finished this book, you will see

your house--and your daily life--in a new and revelatory light.
