Simon Williams : Attacking Chess: The French (Everyman Chess Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Attacking Chess: The French (Everyman Chess Series):

4 of 4 people found the following review helpful. Great book. I played the French decades back and ...By Kenneth K. RaymondGreat book. I played the French decades back and have returned to it and the flavor of Williams' recipes is astoundingly different. Very aggressive for most part as in castling long for advanced and exchange sac for tarrasch. Impressive.0 of 0 people found the following review helpful. Five StarsBy R. BrownVery good book on the French. Instructive games.1 of 4 people found the following review helpful. Five StarsBy Douglas McMicklegreat!

Simon Williams presents an ambitious opening repertoire for Black based on the ever-popular French Defence. In this book one of the world's most imaginative Grandmasters combines his unique attacking ideas with the traditionally solid French structure, resulting in a powerful armoury of weapons. This will prove ideal for players who like to seize the initiative and cause problems for their opponents from the outset. Williams' recommendations are based on his own practical experience, where his ideas have stood the test of time against powerful grandmaster opposition. Attacking Chess is a brand new series of opening repertoire books. It focuses on traditional attacking openings, as well as creative and forceful ways to play openings that are not always associated with attacking chess. It provides ambitious repertoires designed for players of all levels. *A Grandmaster's repertoire in the French Defence*Packed with new ideas, analysis and novelties*Illustrative games explain typical plans and tactics

If you are looking for a new defence to 1.e4, or if you play the French anyway but would like to replenish your understanding of the opening with some new aggressive ideas, then Simon Williams' book can be wholeheartedly recommended. Paul Kane Manchester Chess FederationFrom the Back CoverSimon Williams presents an ambitious opening repertoire for Black in the ever-popular French Defence. One of the world's most creative players combines his unique attacking ideas with the traditionally solid French structure, resulting in a powerful armoury of opening weapons. This will prove ideal for players who like to seize the initiative and cause problems for their opponents from the outset. Williams' recommendations in the French are based on his own repertoire which he has successfully employed at Grandmaster level. Attacking Chess is a brand new series which focuses on traditional attacking openings, as well as creative and aggressive ways to play openings that are not always associated with attacking chess. It provides hard-hitting repertoires and weapons designed for players of all levels.A Grandmaster's repertoire in the French Defence
