Inc. U S. Games Systems : Authors Card Game before purchasing it in order to gage whether or not it would be worth my time, and all praised Authors Card Game:

2 of 2 people found the following review helpful. AuthorsBy E. ErvinThis is a wonderful card game. It really helps you to learn the authors. It is fun and children enjoy it. I grew up playing this card game and was delighted to see it again. I used it a lot in school especially with a scholars bowl team and it worked really well. It is just a good family game and a learning tool.1 of 1 people found the following review helpful. Great for kidsBy Kylie44I used to play this

game with my cousins when I was younger, and I learned so much about the authors included in this game! I truly believe it helped push me to read more. It's Go Fish with authors and their books. Great for kids!1 of 1 people found the following review helpful. Great teaching gameBy AngeliMy grandmother and I played this all of the time when I was young. It went a long way in teaching me about some of the great authors. I ordered this and several similar games to play with my grandchildren. They enjoy learning through games.

This classic literary card game features portraits of 13 famous authors and highlights their most prominent works.
