Great book for the price, not newBy E. MajeskiIt's an awesome book and hard to find, so the price was good. However, it looked like maybe it sat in a waiting room for a decade- yellowed fingerprinted edges of the pages and many dents, scratches, and dirty areas on the front. Nothing a good cleaning with Liquid Gold couldn't fix really, just don't expect perfection.0 of 0 people found the following review helpful. fantastic collection!By Michael

GodekAvedon's work speaks for itself, fantastic collection!

Avedon Fashion 1944-2000 encompasses seven decades of extraordinary images by Richard Avedon, the most influential fashion photographer of the 20th century.
