I wish the paper was a little thicker but what can you expect for the price and it's one-sided (if you don't count the name of the page and the verse on the backs of the pages) so I still give it a 5-star rating. Plus I ordered it on the 13th, it was shipped on the 15th with 4 other books, and I received it today (the 16th by the U.S. Postal Service). Awesome job Alexander George Ward, .com, and the USPS. 6 of 6 people found the following review helpful. Five StarsBy Customer The most profound and beautiful coloring book I've ever had!!! Thank you for making it! Love it!!! 2 of 2 people found the following review helpful. This makes me want to go back to Peru. :)By Melvin J Drury This is beautiful and true to the Ayahuasca experience! The one with the entangled snakes was exactly like a vision I had! It almost brought me to tears when I saw it. There are easy ones and very difficult ones, so you have

options depending on your mood at the time. You don't have to have experienced ayahuasca to appreciate the art. Whoever gave the 2 star review is obviously just trolling and never bought the book.

Colour artwork from a young man who lived, breathed and experienced life in the Amazon Jungle to an extent few others have. This is art from the direct experience.

About the Author Alexander George Ward is a world traversing, multi-disciplinary, visionary artist. He graduated with a Bachelor of Arts degree in traditional animation from the Arts University in Bournemouth and has worked in the animation, film and video game industry. For the past 5 years he has been studying ancient cultures in the Jungle, this book is the first of many that give a glimpse into the worlds he experienced there.
