Millard Hopper : Backgammon (Reprint Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Backgammon (Reprint Edition):

Champion checkers player Millard Hopper wrote this informative guide to another popular board game, backgammon.

Hopper covers game play, strategies, and tactics simply but in detail (and with plenty of illustrations). He notes: "Backgammon, while holding a wealth of strategy and skill does not require the exacting concentration of chess and checkers. While luck plays a great part in the results of the game where players are evenly matched, still, a skillful player when paired against a haphazard one, will far excel his inexperienced adversary." Hopper gives the student of backgammon the tools needed to increase his skill on the board.
