**Chris Bray : Backgammon to Win: Play Like a Pro Both Online and Off** before purchasing it in order to gage whether or not it would be worth my time, and all praised Backgammon to Win: Play Like a Pro Both Online and Off:

6 of 6 people found the following review helpful. Same as 'Backgammon For Blood' by Chris BrayBy HARRY MARTZThis is the same book as 'Backgammon For Blood' by Chris Bray. I wanted to buy it despite the confusion of that book with another of the same title from the 1970s Backgammon for Blood by Bruce Becker, but didn't want to pay the high prices being asked for the Bray book when titled Backgammon for Blood. At [...] I found a note to the public from Chris Bray explaining that this same book is published under two titles but with exactly the same content and, I think, even page numbers. I bought this book and compared my copy's table of contents and index with the

contents and index of the Backgammon for Blood: A Guide for Those Who Like to Play but Love to Win 'For Blood' book by Bray, here at [http://www.backgammon.org](#), and they are the same. Even the cover art. I haven't read it yet, but skimmed, and it looks worth reading - especially at the low price for Backgammon to Win instead of Backgammon for Blood. I'd like to double. 1 of 1 people found the following review helpful. Great for beginners! By Loretta L. Turner This book is really interesting. It was easy and fun to read. It's also sectioned off so that's it's easy to flip around and find what you're looking for.

Backgammon is set to be the new poker. Like that perennial favourite, it's a game of skill that can engross its players. Unlike poker, it doesn't rely so much on chance, meaning that backgammon can be more satisfying to play and more fun for the beginner - who doesn't end up folding eight times out of ten. It's an action-packed, head-to-head game, but can also be played in tournaments, which is why it's gaining increasing popularity on online gambling sites.

"Backgammon to Win: Play Like A Pro Both Online And Off" introduces beginners and those who haven't played for years to the strategies and tips needed to play the game well, whether you want to make serious money in tournaments or play just for fun at a board with friends. With clear, precise text and illustrations providing step-by-step directions, "Backgammon to Win" has everything you need to be one step ahead of the game.

About the Author Chris Bray is a keen backgammon player, ranked in the top five in the UK, who writes a backgammon column for The Independent (now in its 13th year). Most of the articles on [www.backgammon.org](http://www.backgammon.org) are his and he also contributes to [www.gammonempire.com](http://www.gammonempire.com) - the largest backgammon server on the Internet.
