Boyd Norton : Backroads of Colorado before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroads of Colorado:

0 of 0 people found the following review helpful. Great book!By Paula BlockGreat book. Lots of gorgeous photos and in-depth information!0 of 0 people found the following review helpful. Backroads of ColoradoBy K. SmithIf your into nostalgia, this is a great book. See the trails as they used to be. Of course many are still present today. Beautiful pictures and an all around good Colorado book.0 of 0 people found the following review helpful. not many true back roads and the photos are embarrassingly poor.By Steve robisonOut of date, poorly written, not many true back roads and the photos are embarrassingly poor.

This is your complete guide to the most scenic backroads of Colorado: the secret routes and highways that lead you through the states most beautiful mountain ranges, alpine wildflower meadows, river valleys, ghost towns, aspen

forests, and more. Let Boyd and Barbara Norton enhance your Colorado tour with their personal and colorful tales. They provide detailed directions for each backroad adventure, along with descriptions of the surrounding area, its history, and interesting points of discovery along the way. All the routes described in *Backroads of Colorado* are accessible by car. The authors also discuss which roads are suitable for mobile-home RVs and off-road four-wheel drive vehicles.

"If you like to take your time, absorb the scenic grandeur of a wild place, and literally stop to smell the wildflowers, buy this guide. . . ." -- *Family Camping*
About the Author
