Whooo Hoo, My Head is Spinning!By CheddarmuffinThis book arrived this past week and I must say it is totally fabulous in the same way a box of Bertie Bott's Every Flavour Jelly Beans is. Very funny and I highly recommend it for reluctant readers and those recovering from major surgery and confined to bed rest.

In Bad Little Childrens Books, illustrator Arthur C. Gackley creates hysterical parodies of childrens book covers from

more innocent times. Many of these original books focus on life's lessons, joys, and curiosities. Gackley cleverly takes the books' classic covers and turns them into unforgettable, edgy, politically incorrect parodies that speak to the bad little kid in all of us. With a catalog of children's book titles like *Peeping Tommy Goes Cougar Hunting*, *Cousin Milky Is Lactose Intolerant*, and *The Blind Child's Picture Dictionary*, this collection will have readers in stitches. A fun read for parents, grown-ups, and kids-at-heart everywhere, *Bad Little Children's Books* leaves no bad joke unmade.
