**Lisa Birnbach : Barbie Live: The World's Most Famous Doll Having the Time of Her Life!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Barbie Live: The World's Most Famous Doll Having the Time of Her Life!:

0 of 0 people found the following review helpful. My daughter loves this book! By Saida J. My 9 year old who loves all things Barbie and friends absolutely relishes the opportunity to see her in a historical sense and in great settings and scenes. It had also inspired her to start designing fashions of her own.

All new photos of Barbie in real-life settings all over the world.
