From Publications International : Baseball Puzzles (Brain Games) before purchasing it in order to gage whether or not it would be worth my time, and all praised Baseball Puzzles (Brain Games):

0 of 0 people found the following review helpful. Great gift!!!By George J. MillerMy wife got this as a Christmas present and it is great. Really challenges the brain. A wide variety of puzzles of all levels. Some we really enjoyed and are making up new versions of these puzzles to challenge each other. If you are a baseball fan and you like being challenged mentally, this is a great book for you. If you frustrate easily and need to get answers quickly - move on to something else!

You can flex your mental muscle, learn some interesting facts about baseball, have a whole season's worth of fun - how can you resist? Brain Games (TM) Baseball Puzzles is jammed packed with a variety of puzzle types that are designed to stimulate different parts of your brain - keeping it strong healthy. The puzzles progress from easy to more difficult, exercising your brain more as you rowkr through the book. All the puzzles are related to the great game of baseball are sure to provide hours of entertainment. So get out your pencil, open this book, get started on a healthier brain!
