ThomasBasic Bridge in Three Weeks is not for dummies, but it does offer information that will instruct the novice and at the same time enhance the bridge acumen of more seasoned players. Each new lesson that includes easy to follow information along with illustrations and a quiz ends with Essentials to Remember. After playing party bridge for many years this book

opened my eyes to how little I knew about bridge.0 of 0 people found the following review helpful. Five StarsBy Jackie shoesVery helpful1 of 1 people found the following review helpful. Five StarsBy linda m blairVery informative.
