**Kevin Howlett : "Beatles" at the BBC** before purchasing it in order to gage whether or not it would be worth my time, and all praised "Beatles" at the BBC:

0 of 0 people found the following review helpful. Three StarsBy Carlos Hironakamy expectations were higher

Presenting an account of the partnership between The Beatles and the BBC, this book covers the pop group's radio career between 1962 and 1970, and includes BBC audition reports and letters. It draws on the reminiscences of producers and presenters who worked with The Beatles, and contains extracts from interviews, as well as memorabilia such as record labels, magazine covers, and listings, including a complete 1962-70 discography.
