From Parragon Book Service Ltd : Beatles (Images) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beatles (Images):

This unofficial publication of The Beatles charts the meteoric rise of how four lads from Liverpool became the greatest pop band in the world. The accompanying DVD transports you from The Cavern to Candlestick Park and gives you a truly brilliant insight into the fab four who conquered the globe. The Beatles is a wonderful celebration of the most popular band of all time and is an essential companion for all fans of the four lads who shook the world forever, rewrote the record books, and whose unique sound redefined the music of an era, never going out of fashion.
