SoundWorks : Beatles Tapes II (Early Beatlemania, 1963-64) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beatles Tapes II (Early Beatlemania, 1963-64):

Interviews and press conferences where The Beatles provide their views on a variety of subjects ranging from hair cuts and how they came to name the group, to the more weighty subjects of the day, including their pending first trip to America.
