SoundWorks : Beatles Tapes III: The 1964 World Tour (Beatles) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beatles Tapes III: The 1964 World Tour (Beatles):

CD contains interviews, appearances, press conferences and radio promos of The Beatles. Recordings cover the period beginning in June, 1964 with the band's arrival in Holland; down under to Australia and New Zealand; and concluding in September, 1964 in Kansas City.
