Frank Stewart : Becoming a Bridge Expert: Sure-fire Tips and Secrets to Boost Your Scores before purchasing it in order to gage whether or not it would be worth my time, and all praised Becoming a Bridge Expert: Sure-fire Tips and Secrets to Boost Your Scores:

0 of 13 people found the following review helpful. I havent used it enough to judgeBy Junerhoda BlancoI am reading Larry Cohen's book and Eric Rodwell's THE RODWELL FILES among other things and I dont have timeor space for more.20 of 22 people found the following review helpful. Review of Frank Stewart's book, "Becoming a Bridge Expert"By Robin WaskoMore than anything, Frank Stewart challenges you to think. The examples he gives are designed to topple the very paradigms, or "natural plays", that burden our development as bridge players. Many times, after working through a problem, I've thought, "Wow! I never thought of that!". It really opens your eyes. If you're an intermediate player, who wants to improve your game, this book is for you!

A compendium of advice for the improving player from one of North America's best-known bridge teachers and writers. Each tip is bite-sized - 3-4 pages in length - so the reader can dip in briefly and still take away an important idea. As well as the usual sections on bidding, play and defense, the author includes much advice on the psychological aspects of the game, including how to be a good partner. Frank Stewart is one of the most distinguished bridge writers and journalists in North America, with over twenty books to his credit. A major contributor to the Official Encyclopedia of Bridge and a regular writer for the ACBL Bulletin, he is perhaps best-known today as the author of the nationally-syndicated 'Daily Bridge Club' daily newspaper column. He lives in Fayette, Alabama.
