Best Play About Life I've Read In YearsBy CommunityStarCheryl West really knows how to tug at your heart, and she does this very well through her characters in "Before It Hits Home". I was searching for an audition monologue, and came upon Reba's monologue. I sent for the script, read the entire play, and now it is being considered for production at our local community theatre. The subject matter and the feelings and relationships of her characters are REAL, and the color of the skin DOES NOT MATTER. Cheryl West is

Cheryl West is definitely an amazing African American writer.4 of 4 people found the following review helpful. Before It Hits HomeBy Charles MartinI'm a Senior at Fisk University in Nashville, Tennessee and we performed this play last fall. If you are looking for a moving piece that is thought provoking, insightful and a tear-jerker...this is it! I played Wendal, the young man who gets AIDS. One of the things I liked about this play was that no matter what character you chose to study, the play justified their actions and reactions.. Also as the author said, it takes a long hard look at a situation that "isn't supposed to happen" in the black community. Cheryl West, thank you for giving us this opportunity to educate and inform....
