Peter Shotwell, Susan Long : Beginning Go: Making the Winning Move before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Beginning Go: Making the Winning Move*:

1 of 1 people found the following review helpful. Excellent choice for learning about the game of GO By Nocturne A clear, well-written book for beginners. I bought this book along with a GO set, and my grandchildren found it interesting and fun. Good choice for someone wanting to learn about this ancient, fascinating game. 0 of 0 people found the following review helpful. this is a great book to start By Mario If you want to learn to play GO, this is a great book to start! 0 of 0 people found the following review helpful. Five Stars By Customer Excellent learning aid

The must-have resource guidebook for those looking to learn the ancient Asian game of Go *Beginning Go* is a clear, concise and thorough introduction to the intricacies of Go that is perfect for first time players. The straightforward, easy-to-follow instructions and detailed examples make it simple to understand how to play. Players will learn the rules, how to keep score, as well as effective winning strategies and tactics to make the game more competitive and fun. By the time players finish the instructional sections, they'll have all the confidence, skill and techniques they'll need to enjoy playing this fascinating game. What's more, Go's unique handicapping system, which the book explains, allows even absolute beginners to play competitive games with experienced players.

"The world's oldest surviving game of pure mental skill." -- "The Economist" From the Inside Flap
