people found the following review helpful. Such a good read. By lupichristina It really inspires you to embrace the inner confident person in you. It teaches you a lot about everyday things that not many people may really know how to do. 3 of 4 people found the following review helpful. Love the Being James Bond e-book By Christopher M. Robinson Life us sometimes full of distractions, some good and some bad, but I have to say that the Being James Bond book by Joseph Darling reminds me of the things that always made me truly happy as a man as well as a lifelong fan of James Bond. As he says "if Bond can do it you can too.." he is right. From horseback riding to bungee jumping his book is also a form of inspirational reading. Since following his board BeingJamesBond.com I have been more active in making all those hobbies I have postponed become a priority, as a wholistic life change. BJB may not be for everyone, but those who seek a new way to reinvigorate their life's passions this is the way to go! Regards Chris
