fictionalized autobiography goes, it rocked in some places (near the beginning) but the dialogue within quotation marks became saccharine - especially around the middle. Hard to finish reading. Mingus' note gives kudos to his editor, wonder why..2 of 2 people found the following review helpful. An American originalBy Tom NolanThis is one of the best autobiographies I have ever read. It is a truly generous book: Mingus really lets you into his complicated, inspired, and suffering mind. Well worth the time for all jazz fans.0 of 0 people found the following review helpful. Five StarsBy Ari VhsaariGreat

Bass player extraordinaire Charles Mingus, who died in 1979, is one of the essential composers in the history of jazz, and *Beneath the Underdog*, his celebrated, wild, funny, demonic, anguished, shocking, and profoundly moving memoir, is the greatest autobiography ever written by a jazz musician. It tells of his God-haunted childhood in Watts during the 1920s and 1930s; his outcast adolescent years; his apprenticeship, not only with jazzmen but also with pimps, hookers, junkies, and hoodlums; and his golden years in New York City with such legendary figures as Duke Ellington, Lionel Hampton, Miles Davis, Charlie Parker, and Dizzy Gillespie. Here is Mingus in his own words, from shabby roadhouses to fabulous estates, from the psychiatric wards of Bellevue to worlds of mysticism and solitude, but for all his travels never straying too far, always returning to music. This book is the purest of dynamite. Like the autobiographies of Jelly Roll Morton, Louis Armstrong and Billie Holiday and like A. B. Spellman's *Four Lives in the Bebop Business*, it says more about the American psyche in general and black survival in particular than the sociologists and psychologists ever can in their stiff, soulless vocabularies.... Somber, comic, disturbing, boastful, confessional, sentimental, contradictory, poetic, irascible, impish...lyrical, nasty, angelic, reflective...expressionistic, picaresque, jive...this is a powerful book. Rolling Stone

.com A wild, lyrical, and anguished autobiography, in which Charles Mingus pays short shrift to the facts but plunges to the very bottom of his psyche, coming up for air only when it pleases him. He takes the reader through his childhood in Watts, his musical education by the likes of Louis Armstrong, Duke Ellington, and Charlie Parker, and his prodigious appetites--intellectual, culinary, and sexual. The book is a jumble, but a glorious one, by a certified American genius.About the AuthorAt once an essential composer in the history of jazz and a bass player extraordinaire, Charles Mingus was born on April 22, 1922 in Nogales, Arizona, and grew up in the Los Angeles neighborhood of Watts. He made his recording debut with Lionel Hampton in 1947, and performed on numerous recordings with Louis Armstrong, Charlie Parker, Stan Getz, Duke Ellington, Bud Powell, Art Tatum, and many others.His several honors included a Guggenheim Fellowship, an honorary degree from Brandeis University, and the Slee Chair in Music at the State University of New York in Buffalo. Charles Mingus died in 1979 at the age of 56.
