Angelika Taschen : Berlin Street Style: A Guide to Urban Chic before purchasing it in order to gage whether or not it would be worth my time, and all praised Berlin Street Style: A Guide to Urban Chic:

0 of 0 people found the following review helpful. Five StarsBy Tina BhatiaGreat book to have before visiting Berlin...0 of 1 people found the following review helpful. Five StarsBy Mindy Heddensgood and leisure.....somewhat superfluous2 of 3 people found the following review helpful. Style books are usually good for inspirationBy Dr. JykelStyle books are usually good for inspiration. I like books of street fashion in particular

because I like the creativity and variety displayed by people who aren't necessarily trying to sell you something. And I like seeing regional styles. What are the kids in Japan wearing? Or the punks in London or the folks in New York? Unfortunately, this is not that kind of book. If one's understanding of fashion and style in Berlin relied on this book, one couldn't help but conclude that the women of Berlin are snotty, opinionated, and pretentious. This book is also definitely trying to sell stuff. Lots of stuff. Along with all the ads for 6 Handbags you NEED to own, it's annoyingly full of pronouncements such as, The Berlin woman never wears brightly colored socks. The Berlin woman would never get plastic surgery. (Helps of course if you're a young model,) and if you go to a hip neighborhood you should take notes. I know the New Germany is getting richer and richer, nevertheless this book illustrates why, when it comes to fashion, the world still does not look to Germany.

In *Berlin Street Style*, noted design expert Angelika Taschen defines the unique fashion sense of this hip city. The book showcases the popular anti-chic look seen throughout Berlin, offering advice on how to create a simple, casual, and appealingly disheveled appearance with vintage pieces, essential basics, and carefully selected accessories. For travelers to Berlin, the book recommends the city's top destinations for fashion, beauty, design, and culture. With street-style photography and hand-drawn illustrations, this accessible style guide explores how Berlin women dress and where they find their fashion inspiration, highlighting trendsetting blogs and local labels.

About the Author Angelika Taschen is a notable lifestyle and design expert. She has published more than 150 books on design, fashion, contemporary art, photography, and architecture.
