Bruce Pandolfini : Best of Chess Life and Review, Volume 2 (Fireside Chess Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best of Chess Life and Review, Volume 2 (Fireside Chess Library):

0 of 0 people found the following review helpful. BOBBY FISCHER AT HIS HEIGHT! Games, Stories, and CARTOONS! HOURS of FUN READING!!By Princess TINAThis is THE BOOK! The REVIEW of the Time When "BOBBY" was KING of CHESS! It covers the years from 1960 to 1988! There is even a bit including Karpov and

Kasparov! One thing that you should know though...it is in DESCRIPTIVE Notation! That should not bother most people. However, there are a few who do not even practice Algebraic. This book has many Fischer Games and even some reprinted Covers of CLR.We are Definitely Pleased with this volume! Yes we do have VOL.1 that covers 1933 to 1960. That one covers BOBBY's Game of the Century!You can buy Vol.1 or Vol.2, or even BOTH! There are many hours of Pleasure and even some good Reference material in Both editions! A GREAT BUY AND WELL WORTH THE PRICE!

Book by Pandolfini, Bruce
