A must-have Bridge Manual!By Alice TilneyIf you say Marty Bergen you will get instant recognition in the bridge world as he is one of the most reverred teachers! A must-have for a bridge library!0 of

0 people found the following review helpful. Any bridge book by Marty Bergen is worth reading. By Reston Ron Marty has an easy style that makes a lot of sense. His ideas are avant garde, but you can't argue with his success. I teach bridge and I read his books for ideas.

What opener should rebid with a non-obvious hand after a 1-level response. Over 150 examples with detailed explanations.

"Every player can find something here that will make them a better bidder." --Nancy Deal, ABTA teacher
"The first easy-to-understand explanation of reverses I have ever seen." --Steve Jones, aspiring player
About the Author: Marty Bergen is one of the best known author/teacher/players in the world. His bestseller, POINTS SCHMOINTS, is the #1 bridge book of the last decade. He has won 10 National Championships.
