A must for a Bettie-Olivia admirer By Alex 300 Always a joy to see Bettie! it's nice to see Olivia's progress over the years in her paintings of Bettie and her style of painting her. I'm glad Bettie was very happy with Olivia's art of Bettie. 2 of 2 people found the following review helpful. Bettie Page by Olivia By Warbird Al This is a great compilation of Olivia De Berardinis's interpretations of Bettie Page. Olivia dresses Bettie in various costumes even as a mermaid in a few. Some of the illustrations kind of give a nod to the work of Irving Klaw. This book is a must have for those who enjoy the work of Olivia for one point. This is also an excellent addition to any collection of Pin Up Art. I own Olivia's - Malibu Cheesecake as well. The book would also be great for anyone who loves Bettie Page for her wonderful contributions to the Pin Up genre. The book also includes

comments by Mr. Hugh Hefner himself . Notable because he has been friends with both Olivia and Bettie for many years . I myself would like to see a part two offered at some future date .
