**Aaron Rosenberg, Christie Golden : Beyond the Dark Portal (World of Warcraft)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond the Dark Portal (World of Warcraft):

1 of 1 people found the following review helpful. The WoW Guide to Mythology By Reasonable Reviewer If you are a long time World of Warcraft fan then this is a good collection of the mythology all gathered in one place. There are a

few illustrations, but it is not a coffee table, lavishly illustrated work like some of the previous WoW books. This is more like Goldfinch's guide to WoW mythology. It reads like the internal Blizzard designer guide set to print. The book is informative. 0 of 0 people found the following review helpful. I really enjoyed this book. By Evenstar This was one of the last Warcraft novels that I read, and it turned out to be one of my favorites. It was extremely well-written: the authors seemed to know exactly where they wanted to go with the story, and the pacing was excellent. 0 of 0 people found the following review helpful. Enjoyable Read! By E. Ercoline Really like the World of Warcraft storylines. Enjoyable reading and I have read this book multiple times.

The aging orc shaman Ner'zhul has seized control of the Horde and reopened the Dark Portal. His brutal warriors once again encroach upon Azeroth, laying siege to the newly constructed stronghold of Nethergarde Keep. There, the archmage Khadgar and the Alliance commander, Turalyon, lead humanity and its elven and dwarven allies in fighting this new invasion. Even so, disturbing questions arise. Khadgar learns of orcish incursions farther abroad: small groups of orcs who seem to pursue a goal other than simple conquest. Worse yet, black dragons have been sighted as well, and they appear to be aiding the orcs. To counter Ner'zhul's dark schemes, the Alliance must now invade the orcs' ruined homeworld of Draenor. Can Khadgar and his companions stop the nefarious shaman in time to stave off the destruction of two worlds?

About the Author Aaron Rosenberg writes novels, roleplaying games, and educational books. He lives in New York with his wife and daughter, and runs his own game company, Clockworks, in his spare time.
