Matsemela Manaka : Beyond The Echoes Of Soweto (Contemporary Theatre Studies (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond The Echoes Of Soweto (Contemporary Theatre Studies (Paperback)):

This volume presents a representative selection from the work of one of the most innovative of the younger generation

of South African dramatists, Matselema Manaka. His productions have been acclaimed not only in his home country but also on tour in Europe and America. Included here are *Egoli*, *Pula*, *Children of Asazi*, *Toro*, and *Goree*. Each play has been edited with the particular needs of readers outside South Africa in mind: unfamiliar references have been annotated and African-language passages in the texts provided with English translations.
