While some questions were a little more difficult than others, we all had a great time playing. 3 of 3 people found the following review helpful. Excellent, not cheesy Bible Game for all ages By geneva1611 This game is the best one I own. This is a board game you will reach for over and over again. It is fun fast paced with questions that will challenge but not be so impossible to figure out. It is played often in our house. Unlike games I own which are pretty cheesy and lacking depth this one is just about near perfect. The trivia is geared to make you think also to reinforce your Bible knowledge. It is a game based on Scripture and not just a game that is "selling" to Christians. It is exceedingly satisfying when you realize how much you know about your Bible the endless knowledge that there is to reading studying it. I often find myself remembering questions that I missed! It hits the mark in ease, playability and is challenging for many levels. And most importantly, it is FUN! I can't say about even the best of games out there but this one is a winner. Buy this, you won't regret it and you will be sending a message that Christians want smart intelligent games based on the Bible that are fun to play. 6 of 7 people found the

By L. Espinoza
This game is the best bible trivia game that I have ever seen. It has a similar set up to the most popular secular trivia games. It's game pieces are lamp posts and it's "pie pieces" are hoops. The board has the books of the bible set up as the places that you move to, and is color-coded by category, such bible characters, places, etc. It's a challenge for all levels and ages. As the rules stand...Is even challenging for the advance student. To play with younger students, the game encourages you to modify the rules and gives pointers on how to do so. Great for bible studies, family gathering... or to quiz one's self.

This Bible trivia game allows for flexible play so that both Bible scholar and Bible novice can enjoy the fun. There are a total of 2,100 questions in seven categories, including Life of Christ, General, Place, N.T., O.T., People, and Quotations.
