Compiled by Barbour Staff : Bible Crosswords--Large Print before purchasing it in order to gage whether or not it would be worth my time, and all praised Bible Crosswords--Large Print:

2 of 2 people found the following review helpful. Secret Sister gift By Petal Pops I bought this as a Secret Sister gift for one of the older members of our church. I was able to look through it once it arrived and I liked the fact that it was large print in the clues and the puzzles. I know this is such a great gift for those who like to keep their minds occupied and exercised with thinking about the things of the Bible. 0 of 0 people found the following review helpful. Unless something is really bad or really good By AKWI purchased these because they are large print. However, I find the puzzles to be somewhat disappointing as the majority of the questions have nothing to do with the Bible. Other frustrating clues will direct to "See number 11 across". Then number 11 across will direct you to number 20 down. Some of the questions and answers that are supposedly Bible-related actually misdirect or over simplify. For example: The clue "Sabbath day". The answer: Sunday. Sunday is not the Sabbath. Sample of a few clues: Writer Bombeck,

Washington figures, Salad choice... Unless something is really bad or really good, I normally don't give reviews. Unfortunately, I think this is really bad,.3 of 3 people found the following review helpful. Disappointed.By R. ArendtI am somewhat disappointed in this crosswords book. I don't know what version of the Bible is used in these crosswords. I have several different translations of the Bible and can't find the exact word that the crosswords are calling for.

Catch the Visionfor Large Print Crosswords Bible puzzles are a great way to pass time while learning scriptureand heres a brand-new collection of almost 50 large print crosswords sure to satisfy. With clues drawn from the breadth and width of scripture, Bible CrosswordsLarge Print will challenge and expand your knowledge of the Good Book.
