**United States Playing Card Company : Bicycle Official Rules of Card Games** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bicycle Official Rules of Card Games:

6 of 6 people found the following review helpful. Most authoritative source By MR THOMAS P STURM This is a time-honored source of information. It is complete, clear, and thorough. Unlike many different books of "Hoyle", it describes the rules of the games the way I generally play them. It doesn't pretend to cover "all" games - just card games. My edition arrived in excellent shape. 5 of 5 people found the following review helpful. finally settles some of

the arguments about card gamesBy P. O'BRIENWe like playing cards, and always had questions about the rules when playing with other people. Now this settles it once and for all!0 of 0 people found the following review helpful. Four StarsBy Juanmiguelgreat games, a nice add-on to your poker collection

The United States Playing Card Company, makers of Bicycle brand playing cards, brings you this comprehensive guide to over 250 card games. Complete with a history of playing cards, advice on choosing a card game, and 'bet-you-didn't-know inserts'; this book is a thorough reference for card games. This new edition, with countless illustrations, is designed for ease of use and ready reference. The "Game Sidebar" that appears before each major game allows readers to determine, at a glance, the number of players and cards required, and the degree of skill and complexity for each game. All you need is this book and a deck of Bicycle brand playing cards to enjoy one of America's favorite pastimes!

From the PublisherThis official rules book comes to you from The United States Playing Card Company, best known for their Bicycle cards that have been the best selling playing card brand for over 100 years. The company based out of Cincinnati, Ohio, manufactures and distributes playing cards, casino cards, children's card games, collectible tins, and card accessories worldwide. Who better to turn to as the authority on playing cards than the company that has historically dominated the industry?From the Back CoverFun! Informative! Entertaining! Whether you're an experienced card player or have never played before, this comprehensive guide contains what you need to know! The "Bicycle Official Rules of Card Games" is much more than just a rule book: families will enjoy finding old favorites and new games to play; serious card players will value the book as a definitive resource; novices will pick up the basics quickly and easily; trivia buffs can browse for interesting stories. Designed for ease of use and ready reference, the guide includes unique diagrams that illustrate, almost at a glance, the basics of a specific game. All that's missing is a deck of America's favorite Bicycle playing cards!
