Mark C. MacKinnon : Big Eyes, Small Mouth Anime Card Game before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Eyes, Small Mouth Anime Card Game:

You just want to take a little vacation away from it all - but everyone across the Anime Multiverse is trying to track you down! Nasty bounty hunters, angelic magical girls, powerful mages, demonic princes, cyborg warriors, cute cat women ... no one will leave you alone! Direct their attention towards one of your enemies, though, and you'll finally get some rest. The Big Eyes, Small Mouth Anime Card Game is a 110-card stand alone Hearts variation that's easy to learn and full of surprises, featuring stunning anime art and a custom deck of 8 character factions.
