**Patrick Merrell : Bird Brainteasers: Puzzles, Games Avian Trivia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bird Brainteasers: Puzzles, Games Avian Trivia:

1 of 1 people found the following review helpful. Looks like fun.By LoriA nice little book with some nice puzzles. It will help fill the time between bird spotting as a personal distraction and as conversation starters with my fellow Birders. The smaller dimensions make it easy to fit in my gear bag.1 of 1 people found the following review helpful. Cute and informativeBy scolvigI'd give this little book 4 1/2 stars if I could. I love birds and birdwatching; I guess I'm

at an intermediate level. I haven't read the entire book yet, but thumbing through most of the puzzles, a lot of them looked very easy, definitely at a novice level. I only wish there were some more challenging ones. The title "Brain Teasers" is a bit misleading. But there was lots of informative (and silly) trivia. So this book probably does offer something for anyone with any interest in birds. There are also silly children's jokes. This would be a nice book for older children. I will keep this one for myself, it will be great for killing time at the airport, etc.. But I like it enough to buy a couple more copies for members of my bird loving family. A great stocking stuffer! 0 of 0 people found the following review helpful. Our family loves birds. This is such a unique ...By m GaryOur family loves birds. This is such a unique book with all kinds of puzzles, facts, quotes, songs, etc. It is challenging enough for older kids and adults.

Bird-watchers and puzzle fans alike will delight in this collection of word games, conundrums, and avian amusements by noted puzzler Patrick Merrell. Packed with bird-themed crosswords, visual puzzles, and the first-ever Birdoku challenges, Bird Brainteasers also features fascinating bird facts, trivia, and lore. Merrell engages the whole family with kid-friendly games that invite bird enthusiasts of all ages to get in on the fun. Full of whimsy and bursting with heart, this pocket puzzle book will bring a smile to the face of every bird-lover.
