**Stan Tekiela : Birds of the Midwest Playing Cards (Nature's Wild Cards)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Birds of the Midwest Playing Cards (Nature's Wild Cards):

0 of 0 people found the following review helpful. Great help to cardmakersBy loves2readI am a card maker and want to learn to paint birds. These cards are very helpful because the full color pictures are drawn. I have tried to use color photos which are lovely, but were no help in learning brush strokes. I also like that there 52 different birds depicted.0 of 0 people found the following review helpful. Beautiful Deck of Cards!By Amber JensenI love these cards. I already

have Wildflowers of the Midwest, I wanted to add to my collection. The pictures are beautiful, crisp and bright. They showcase my local flora and fauna, and the price is perfect. I hope to get all the "Midwest" decks in the future! 0 of 0 people found the following review helpful. Four Stars By J D Fowler Useful and fun!

Play cards and learn about birds! This gorgeous deck of playing cards features photographs by Stan Tekiela of 54 of the most common and appreciated bird species of the Midwest including the cardinal, blue jay, oriole, and more! All featured species are applicable for the Midwestern states of Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin. Anyone who enjoys nature will love having these cards for playing their favorite games or to use as bird identification flash cards.

About the Author Naturalist, wildlife photographer and writer Stan Tekiela is the author of more than 175 field guides, nature books, childrens books, wildlife audio CDs, puzzles and playing cards, presenting many species of birds, mammals, reptiles, amphibians, trees, wildflowers and cacti in the United States. With a Bachelor of Science degree in Natural History from the University of Minnesota and as an active professional naturalist for more than 25 years, Stan studies and photographs wildlife throughout the United States and Canada. He has received various national and regional awards for his books and photographs. Also a well-known columnist and radio personality, his syndicated column appears in more than 25 newspapers and his wildlife programs are broadcast on a number of Midwest radio stations. Stan can be followed on Facebook and Twitter. He can be contacted via [www.naturesmart.com](http://www.naturesmart.com).
