The quality of the playing card aspect is cheap..cheap..cheap. They are not good for educational purposes nor for playing with.0 of 0 people found the following review helpful. A fun way to learn the birds on our long trip ...By FelicityClear, colorful pictures. A fun way to learn the birds on our long trip out west.

This gorgeous deck features real photos of 52 of the most common and appreciated bird species of the Rocky Mountain states, including the Western Tanager, Lazuli Bunting, American Goldfinch and more! Anyone who appreciates birds will love having these playing cards for their favorite games and for quick I.D.
