**Stan Tekiela : Birds of the Southeast Playing Cards (Nature's Wild Cards)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Birds of the Southeast Playing Cards (Nature's Wild Cards):

0 of 0 people found the following review helpful. cheap don't waste money By Jennifer R Dudley The cards are photos of paintings which makes it almost impossible to distinguish one kind of bird from another. The quality of the playing card aspect is cheap..cheap..cheap. They are not good for educational purposes nor for playing with. 0 of 0 people found the following review helpful. Like the Trees cards better By Jan W Birds are drawings, not photos. Some I didn't recognize even though I know the bird. Like the Trees cards better! 0 of 0 people found the following review helpful. Five Stars By H. Amuny Beautiful!

This gorgeous deck features real photos of 52 of the most common and appreciated bird species of the Southeastern

US, including the Painted Bunting, Blue Grosbeak, Summer Tanager and more! Anyone who appreciates birds will love having these playing cards for their favorite games and for quick I.D.
