Jan Lindenberger : Black Memorabilia for the Kitchen (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Memorabilia for the Kitchen (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. Great little reference bookBy comfyshopperLove to thumb through these as reference on some of the black collectables I have in my inventory1 of 1 people found the following review helpful. Four StarsBy Melodygreat book3 of 3 people found the following review helpful. very good bookBy Dawn MarieI am really enjoying this book since I collect black memorabilia and purchase much of it on E-Bay. Now I can look up the things I buy and have a better idea if they're vintage or not. Am enjoying it.

An indispensable field guide to a burgeoning area of collecting! In the past fifteen years Black memorabilia has become an increasingly popular area of collecting. The collectors span the nation and cross generational and racial lines and number well over 10,000 each with their own list of wants. With this reality and with the higher prices, it is a challenging area for the new and old collector alike. It takes a vigorous attempt and avid hunting to find them, but that's part of the joy of collecting! This guide will help you identify what is on the market as well as fair values for the piece. Newly revised with full color photographs, size, approximate date, and current prices, this will be an invaluable reference. The book also addresses more recent items on the market and helps the collector guard against unmarked and fraudulent reproductions.

About the Author A nationally known dealer in Black memorabilia, Jan Lindenberger resides in Colorado Springs, Colorado, and has recently written *Collecting Plastics: A Handbook and Price Guide*.
