Tim Sawyer : Blackmar-Diemer Games 1: Accepted 4.f3 exf3 (Chess) (Volume 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blackmar-Diemer Games 1: Accepted 4.f3 exf3 (Chess) (Volume 1):

1 of 1 people found the following review helpful. Five Stars By Kindle Customer Great stuff, as usual. 2 of 2 people found the following review helpful. Neatly arranged ebook By David Abdelnauer I always appreciate the thorough coverage of bdg on Tim Sawyer's website. This book completes his coverage in a very interesting manner and is also

very neatly arranged. I also like the Ryder Gambit (5.Qxf3 instead of 5.Nxf3) which is also included in this ebook.

Blackmar-Diemer Games 1 continues the Blackmar-Diemer Gambit adventure! This book demonstrates how to win in bold chess attacks with energy and success. Tim Sawyer analyzes 412 games. Blackmar-Diemer Games 1 includes a BDG classification structure, updated commentary, an Index of Players, and more. The games build toward the stronger lines. In the beginning, we see many quick White wins. Short victories are common in the Blackmar-Diemer. More popular lines come later. You reach the BDG Accepted variations by 1.d4 d5 2.e4 dxe4 3.Nc3 Nf6 4.f3 exf3, or by transposition after 1.d4 Nf6 2.Nc3 d5 3.e4 dxe4, or by 1.e4 d5 2.d4, or with many other move orders. This book contains all Blackmar-Diemer Gambit Accepted lines: Ryder Variation 5.Qxf3, miscellaneous 5.Nxf3 lines; the Euwe 5.Nxf3 e6; the Bogoljubow 5.Nxf3 g6; the Gunderam 5.Nxf3 Bf5 and the always popular Teichmann 5.Nxf3 Bg4. This book has 100 games with 5.Qxf3 plus 312 games with 5.Nxf3. The games of Diemer, Tartakower, Sawyer, Purser, Zilbermints, Quinones, Penullar, Bond, and Bill Wall provide creative ideas. Try it! This is the first of four volumes planned on the Blackmar-Diemer Gambit. Taken as a whole, they replace my previous BDG Keybooks. I quote: "The Blackmar-Diemer Gambit is not a boxing jab; it is a knockout punch. White gets to throw the first punch! Stop playing for the endgame; start playing to end the game! Be a winner. Play the Blackmar-Diemer Gambit!" [BDG Keybook from 1992]

About the Author Tim Sawyer is a former USCF chess expert and correspondence master with an ICCF rating of 2157. His peak Internet Chess Club blitz rating was 2492. His earlier chess books published by Thinkers' Press and Pickard Son sold out. Tim writes on chess, humor, travel, sports, health, prison, history and religion. Before he retired Tim was a sports editor, insurance underwriter, church pastor, baseball chaplain and classification officer. Now he writes. Contact email address: sawyerte@yahoo.com
