Michelle Olley : Blonde: Masterpieces of Erotic Photography before purchasing it in order to gage whether or not it would be worth my time, and all praised Blonde: Masterpieces of Erotic Photography:

Blonde presents the eternal appeal of the glamour blonde. With such photographers as Doris Kloster, Christophe Mourthe, and Tony Ward, the book features the best portfolio work of the top international names in traditional glamour photography, as well as more glamour-oriented fetish photographers and fashion/portrait photographers. Blonde includes such celebrity nudes as Marilyn Monroe, Kim Novak, Anna Nicole Smith, Pamela Anderson, and Joanne Guest. The book also features 1950s calendar girls, nudes in outdoor, natural, and low-key settings, and dressed up blondes from fetish to space doll costumes. The pictures in Blonde are as diverse and up to the minute as in

other successful erotic photography titles published by Thunders Mouth Press.
