George Rodrigue : Blue Dog Man before purchasing it in order to gage whether or not it would be worth my time, and all praised Blue Dog Man:

The 5-Star quality: The Blue Dog pictures are uplifting and add just the right amount of color to the kitchen without being garish. They make me smile! The paper is great quality for writing on in ink, marker, or pencil... a difficult thing to find in a calendar. The 4-Star quality: I prefer a larger square, but the size is acceptable. I don't much care for the broken line look; I think it adds confusion and I

prefer simplicity in my writing area. The 3-star quality: I was very disappointed to discover that both ink and pencil writing impresses through the paper onto the next page, leaving shadows in the squares for the next month. You can write over them, but it adds mess. Marker, however, doesn't bleed or impress through. I was going with 3 stars but gosh darnit, that Blue Dog is just Too Good Looking. 4 of 4 people found the following review helpful. If you love Blue Dog By Shari A. Mann If you love Blue Dog, as I do, and you order one of these every year, as I do, you are bound to be satisfied and pleased. This year I've just rehomed a dog in need who looks very like Blue Dog. Her name is True; her nickname is TBD. True Blue Dog. 0 of 0 people found the following review helpful. plushy dog on the outside. Bought used it was good enough the spine was a little ripped and scuffs all over but only could tell if look in light. It was marked as very good condition. For \$6 its still good the inside looked new. I gave to my 5 year old son so its a pretty good buy since there's a chance he might tear it. I like the blue dog cause he's cute. I like my own made up story about him instead of how he actually became the blue dog. I seen his paintings on a show called auction hunters they found some in a storage unit and I just had to have a blue dog book.

Blue Dog has become a touchstone of contemporary American culture, winning accolades from US presidents, Hollywood stars and ordinary people alike. With this book, Rodrigue shares the legends behind his new collection of Blue Dog paintings.'

"Blue Dog Man is a sumptuously produced art book, tracing the genius of Rodrigue's decade-long Blue Dog images ... in this volume, both the artist and his art are forthright, expansive and winning." At long last, the Blue Dog Man, as Rodrigue calls himself, sheds light on his creation as he guides us through this remarkable collection of over sixty new Blue Dog paintings.
