Blue Man Group : Blue Man World before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blue Man World:

The lenticular on the case is very cool, the images inside are striking. Beautiful printing job. Text is funny-- it's a bit cheeky and silly, but that's the Blue Men. Highly recommended! 0 of 0 people found the following review helpful. A picture book at best. Your mileage may vary. By Jacob M. Dick It is ok as a coffee table picture book because that's exactly what it is. Visually, it's loud and overwhelming just like a Blue Man Group performance. I am a fan of the show, been one for a long time and have seen the production numerous times. Nothing in the book was new information, to me. I've seen most of the photos as well. However, for someone new to the world of Blue Man

Group this is a great introductory item. I got it today (1/7/17) thumbed through it for about 15 minutes, lost interest and now it's on the shelf. Mostly a memorabilia and posterity purchase for me but you may get more out of it than I did. 0 of 0 people found the following review helpful. A treat for the long-time fan. By Rob A. As a regular on the BMG message board, gulp, 17 years ago, it's pretty fun to see a lot of new and classic art all together in one place.

The first-ever Blue Man Group book, published on the occasion of their 25th anniversary. As entertaining and hilarious as the show itself, Blue Man World reveals everything you ever wanted to know about the Blue Men, but couldn't get them to tell you.
