Oliver Rath : Bohme Berlin before purchasing it in order to gage whether or not it would be worth my time, and all praised Bohme Berlin:

The eccentric, raw photos of Heidelberg-based photographer Oliver RathOliver Rath's photos range from spontaneous shots to conceptual work. Since 2010 he has been living in Berlin, and the resulting work contains a scintillating display of dynamic, provocative eroticism with a dash of humor.

"The photographs look like stills from movie scenes, with carefully organised choreography props and actors." PAGE
