Artur Yusupov : Boost Your Chess 3: Mastery (Yusupov's Chess School) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boost Your Chess 3: Mastery (Yusupov's Chess School):

2 of 10 people found the following review helpful. YusupovBy h2so4What more can one say. its always informative when its a Yusupov. Clear, understanding, simple, and helpful. A solid library addition.

Artur Yusupovs complete course of chess training stretches to nine volumes, guiding the reader towards a higher chess understanding using carefully selected positions and advice. To make sure that this new knowledge sticks, it is then tested by a selection of puzzles.The course is structured in three series with three levels. The Fundamentals level is the

easiest one, Beyond the Basics is more challenging, and Mastery is quite difficult, even for stronger players. The various topics Tactics, Strategy, Positional Play, Endgames, Calculating Variations, and Openings are spread evenly across the nine volumes, giving readers the chance to improve every area as they work through the books. This book is the second volume at the Mastery level.
