**BradyGames : Borderlands: Game of the Year Signature Series Strategy Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Borderlands: Game of the Year Signature Series Strategy Guide:

6 of 6 people found the following review helpful. The definitive guide to BorderlandsBy M. GattusThis guide is a very nice quality hardcover, which makes it much easier to use than the softcover guides -when you open it to the section you want it stays open on it's own and the pages don't flip. It's printed on very nice heavy weight paper with a nice finish, it reminds me of some of the art books I own.Every bit of information you could possibly want on the base game and the four addons is provided, including the location of every chest and how to get to it, strategies for every boss as well as every other enemy type in the game. Every main story quest as well as all of the side quests are highlighted in excellent detail, along with the best order to do them in with a minimum of unneeded travel or backtracking.If you want the best guide available for the game after buying the addons or if you buy the game of the

year version of Borderlands and want to know everything about the game, this book is for you. It also includes a nice art section detailing the evolution of the characters, enemies and weapons you'll encounter through the game, with excellent quality illustrations. 0 of 0 people found the following review helpful. Five Stars By Pablo A. Great book! 0 of 0 people found the following review helpful. Great Guide For A Great Game By Bobby W. If you are a fan of "Borderlands" and own the Game of the Year edition, then you should try to hunt down a copy of this book. Not only is it helpful and clearly written, it's gorgeous!

**-ONLY A BOOK THIS BIG CAN COVER A GAME THIS MIND-BLOWING!** This 600-page hardcover tome is the ultimate weapon for a game already teeming with guns. Packed with everything you need to dominate Borderlands and all four episodes of DLC, it's indispensable, collectible, and HUGE - even Brick needs two hands to hold it! **WALKTHROUGHS MAPS FOR ALL THINGS BORDERLANDS!** Complete coverage of Borderlands and all DLC (The Zombie Island of Dr. Ned, Mad Moxxi's Underdome, The Secret Armory of General Knoxx, and Clap-Trap Revolution). Features enhancements to our original Signature Series guide. World Maps and Quest Indexes for finding what you need fast. New developer tips from the Gearbox team. All chest and quest point locations revealed on area maps. **GUNS GALORE!** The **ULTIMATE REFERENCE** for understanding the weapons system and how guns are generated, including the new Pearlescent guns. Massive **GUN CATALOG** details over 400 weapons - an arsenal of guns (including Legendaries) from all five classes for each of the nine manufacturers. Exhaustive **GUN GLOSSARY** decodes the meaning behind the modifiers. **VAULT HUNTER HEAVEN!** Glean the full potential of all four character classes. List of all class mods and advice for using them. Skill trees and strategies for building the ideal character. **WASTELAND WANDERERS!** A comprehensive Bestiary of all enemies including the new DLC foes. Our exclusive critical hit diagrams identify where to target each type for maximum damage. Plus **COMBAT DETAILS** for every creature, including level data, attack styles, weaknesses, resistances, loot drop, and more! **CONCEPTUAL ART GALLERY!** We've opened the vault of artist sketches at Gearbox - a never before seen treasure chest of drawings from the game creators, featuring the bizarre creatures and environments from the DLC!
