Brain Games Mazes offers more than 150 mazes to solve that can help hone a person s planning skills and spatial reasoning skills, both important in everyday life. The mazes get progressively more challenging as you proceed through the book. In addition to traditional mazes, you will encounter circular mazes, three-dimensional mazes, and double mazes. Solutions are provided in the final section. Brain Games Mazes is spiral-bound and handy to use, no matter where you are at home, on the road, waiting in line, or relaxing poolside or on the beach. Take along the book wherever you go.The Brain Games series was developed to help people increase their memory, sharpen their reasoning, and expand their creative thinking. Solving mazes and other challenges can provide a vigorous mental

workout for virtually everyone, from teenagers to senior citizens.
