Thank you and enjoy your day.1 of 1 people found the following review helpful. Fantastic Puzzles!By CI really like this book! These puzzles are supposed to be for kids but they even made me pause and think about them. I could see my first graders having fun with these games. Even one puzzle would keep a child entertained for awhile, not because it would be too hard but because it would make them think.0 of 0 people found the following review helpful. Five StarsBy JescaGreat brain game book
