Ian Livingstone, Jamie Thomson : Brain Teasers: 211 Logic Puzzles, Lateral Thinking Games, Mazes, Crosswords, and IQ Tests to Exercise Your Mind and Keep You Sharp 'til You're 100 (Brain Teasers Series)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brain Teasers: 211 Logic Puzzles, Lateral Thinking Games, Mazes, Crosswords, and IQ Tests to Exercise Your Mind and Keep You Sharp 'til You're 100 (Brain Teasers Series):

0 of 0 people found the following review helpful. Five StarsBy BRENDA BOWENgave as gift0 of 0 people found the following review helpful. I like it, but the Speedy Word Sum problems aren't ...By BDWI like it, but the Speedy Word Sum problems aren't correct. Multiplication is always suppose to be done before addition and subtraction.1 of 1 people found the following review helpful. this is the book I would love to pay for.By CustomerI bought for my 7 and 9 yr-old. They can spend hours on it without being bored. The only annoying part is that, they kept on asking me all these questions from the book, testing my intelligence...

A great way to have fun and build brain power, Brain Teasers offers a variety of games to delight and challenge even the most advanced puzzler. Brain Teasers shows off some outrageously fun new mindbenders, like anasearches (a combination of an anagram, a crossword, and a word search), numberlockers (think of a crossword puzzle with numbers instead of words), and alphabetics (a miniature crossword puzzle that uses each letter of the alphabet exactly once). Perfect for anyone who sits down with the New York Times crossword puzzle every morning or works through Sudoku puzzles on the way home, this book is guaranteed to excite your mind and jump-start your brain.

About the AuthorIan Livingstone is co-author of the Fighting Fantasy gamebooks series (fifteen million books sold worldwide), co-founder of Games Workshop, co-founder of Eidos Interactive, and the man who discovered Lara Croft: Tomb Raider.Jamie Thomson is an experienced craftsman of puzzles and games. He has worked on game books series such as The Crystal Maze, Fabled Lands, and Quest.
